

## REMARKS/ARGUMENTS

Applicants are filing this amendment in response to the Notice of Allowance and fees due dated 12/8/2008.

### Examiner error in numbering of allowed claims in the Notice of Allowability dated 12/8/2008

Examiner appears to have made an error in not indicating claim 38 as allowed. The status of claim 38 is not provided. Applicants assume that claim 38 was intended to be allowed by the Examiner and have written the response accordingly. If this is not correct, the Examiner should contact the Applicants representative, Rabindranath Dutta, Reg. # 51,010, at telephone number 310-557-2292.

### New claims 39-52

New claims 35-53 are system and computer readable storage medium claims corresponding to the allowed method claims 1, 2, 5, 7, 12, 37-38. These claims 35-53 are allowable for at least the same reasons for which method claims 1, 2, 5, 7, 12, 37-38 were allowed.

For the above reasons all pending claims are allowable.

### Amendments to the Specification

The title that was amended on 3/31/2008 has been amended again to reflect the inclusion of system and computer readable storage medium claims.

## Conclusion

For all the above reasons, Applicant submits that the pending claims are patentable. Should any additional fees be required beyond those paid, please charge Deposit Account No. 09-0449.

The attorney/agent of record invites the Examiner to contact him at (310) 557-2292 if the Examiner believes such contact would advance the prosecution of the case.
